January 2022

Dear Friends and Clients,

As we prepare for the 2021 tax return season, it is appropriate to pause and count our blessings. We at Fullerton Business Service are thankful for our clients, and for the opportunity to serve your tax and business needs. Our goal is to provide services with respect and professionalism, always seeking your best interest. This philosophy has resulted in our growing business and provided for the financial needs of our owners and employees for many years, and for that we are grateful.

We are also thankful that society in many ways is returning to the "way things used to be" or shall we say normal. To that end our tax services are also evolving back. While still exercising appropriate safety protocols we will have the following tax preparation options:

- * In person appointments (these fill up fast)
- * Zoom or Microsoft Teams video appointments
- * Phone appointments
- * Drop off / Mail in / Portal upload - no appointment

We learned during the pandemic that appointments are most productive when the tax preparer has access to your tax documents prior to meeting.

- * Please make use of our customized tax organizer provided with this letter.
 - * Provide your tax documents and completed organizer at least one week prior to your appointment.
 - * Documents should be received by our office on or before March 20, 2022 to avoid a tax filing extension.

Regarding tax developments for 2021, tax rules have not gotten any easier to apply. There were four Covid relief bills under the prior president, and the American Rescue Plan Act under the current president. All the legislation has intersecting provisions, which changed rules on the fly, and led to tax preparation challenges last year. A very important task for our clients this year will be to provide exact amounts of payments received in 2021 from the federal government, either stimulus payments or advance child tax credit payments. All must be reconciled on your tax return to prepare it correctly. In early 2022 the IRS will send the following:

- * Letter 6419 with the total amount of advanced child tax credit payments dispersed.
- * Letter 6475 will confirm the total amount of the third economic stimulus payment.
 - * Please provide us with your letters when you submit your tax documents.
 - * Set up your Online taxpayer accounts at www.irs.gov and www.ftb.ca.gov

Due to the necessity of tracking government payments, and the increasing difficulty of directly contacting the IRS, we recommend that each of our clients set up an online account to access taxpayer information.

Our entire team returns from last year, including several seasonal administrative and professional staff. We are blessed with exceptional people and have found continuity of employment leads to a better tax season experience for everyone involved.

From your friends at Fullerton Business Service,
we wish you all the best in the new year!

Subject: Preparation of Your 2021 Tax Returns

:

Thank you for choosing Fullerton Business Service to assist you with your 2021 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2021 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. An Organizer is provided each year to help you collect the data required for your return and will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns and help minimize the cost of our services.

We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will inform you of any material errors, fraud, or other illegal acts we discover. The law imposes penalties when taxpayers underestimate their tax liability. Call us if you have concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Tax questions and planning for the next tax year are separate services from the preparation of the current year tax return. These may result in additional charges depending on the time spent and complexity of the issues.

Generally, we do not require payment in advance of our work. Once we have completed your tax return preparation, payment for services is required prior to electronic filing of your return. Invoices are due and payable upon presentation. Accounts not paid within thirty (30) days are subject to collection procedures to the extent permitted by state law. We will return your original records to you at the end of this engagement. Store these records, along with all supporting documents, in a secure location for seven years. We retain digital copies of your records and our work papers from your engagement. The Secure File Pro Portal is for file transfer only, not file storage.

If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them. Our engagement to prepare your 2021 tax returns will conclude with the delivery of the completed returns to you, or with e-filed returns, with your signature and our subsequent submittal of your tax return. To affirm that this letter correctly summarizes your understanding of the arrangements for this work, please sign the enclosed copy of this letter in the space indicated.

Thank you for the opportunity to be of service. If you have any questions, contact our office at (714)525-1123.

Sincerely,

Jeffrey Goodfriend CPA

2021 Information Pertaining to the American Rescue Plan Act (ARPA)

On March 11, 2021, the President of the United States signed into law the American Rescue Plan Act (ARPA) that authorized a third round of stimulus payments and advanced payment of the Child Tax Credit. The IRS issued notices that provided the amounts you received for these payments. This information is necessary to accurately complete your 2021 individual tax return. Information provided below explains what notice you received and how to obtain the information if you no longer have the notice or have yet to receive a letter.

Stimulus Payment (Economic Impact Payment (EIP))

The third round of EIP or stimulus payments began mid-March 2021. Individuals could have received up to \$1,400 (\$2,800 for married couples filing a joint return). Qualifying dependents may have also received \$1,400. Unlike the first two payments, EIP3 was not limited to children under 17. Families may have received the payment based on all of the qualifying dependents claimed on the tax return. Most families received \$1,400 per person, meaning, a single person with no dependents may have received \$1,400 while a family of four may have received \$5,600. Notice 1444-C was sent following the payments and Letter 6475 will be issued in January 2022 with a combined total.

If you no longer have Notice 1444-C, or have not received Letter 6475, log in to your IRS Online Account to get the accurate amount of EIP3 received.

1. Go to irs.gov.
2. Select "View Your Account Information."
3. Select "Log in to your Online Account" and follow the prompts provided.

Advance Child Tax Credit Payments

Under ARPA, the maximum amount for the Child Tax Credit (CTC) was increased from \$2,000 to \$3,600 for each child 5 years old and under. For children ages 6 - 17, the maximum increased to \$3,000. In July 2021, eligible families that did not opt out began receiving advanced CTC payments up to \$300 per month for each child age 5 and under and up to \$250 for each child between the age of 6 and 17. IRS will issue Letter 6419 to provide the amount received per taxpayer and how many children were taken into account to determine the amount received.

If you no longer have Letter 6419, or have not yet received it, follow the directions above to log in to your online account to access the Child Tax Credit Update Portal or log directly in to the portal using the instructions below. For married couples filing a joint return, the taxpayer and spouse will both need to log in to get the amount apportioned to each taxpayer.

1. Go to irs.gov.
2. Select "Child Tax Credit Update Portal."
3. Select "Manage Advance Payments" and follow the prompts provided.
